

What is Campus Crusade

Our vision is to turn lost students into Christ-centered laborers. We win students to Christ, build them up in their faith, and then send them out to reach others. Our goal is that every student would have the chance to hear about Christ. We do this through one on one conversations, small group dorm programs, and campus wide outreaches. We build them up in the faith by teaching them to apply the Bible to their lives through Bible Studies and discipleship. In sending them we teach them how to share Christ with others as a way of life and offer many missions opportunities for students.

The campus ministry however, is only one

of our over 70 world-wide ministries.

Others include The Jesus Film Project, Josh McDowell Ministries, Here's Life Inner City, and Athletes in Action.

CAMPUS CRUSADE FOR CHRIST

Building Spiritual Movements Everywhere

The Chicago Metro Ministry

Our goal on the Chicago Metro Team is to reach every one of the 195,000 students on 44 Chicagoland campuses. For that to happen we are trusting God for 9,000 student multipliers: students who **walk by faith** by living Spirit-filled lives, **communicate their faith** by sharing their faith with 20 students around them, and **multiply their faith** by making disciples of two or three students and helping them to do the same.

We've seen students graduate from our ministry and become leaders in the church and in their communities as well as take the Gospel all over the world to places like Italy,

The Chicago area has more than 100 campuses & 500,000 college students

New Zealand, and Germany. We believe that Chicago students can not only change Chicago and the United States, but the entire world!

How we got here

It was as a college student at Central Michigan when I (Andy) was called to join staff with Campus Crusade. As a student leader in CCC, I started to see that I could have an impact on students lives much like my CCC staff person had impacted mine. I joined staff right after graduation and was placed in Chicago.

As a student involved in CCC at the University of Detroit Mercy I (Amy) developed a passion for God's heart for the poor and was involved in spring break and summer opportunities with Here's Life Inner City, the Urban Ministry of CCC, that helps churches reach out to their communities. After college I joined the staff of HLIC.

We started talking early in 2006 about the Super Bowl being in Detroit and our mutual love for the Detroit Pistons. We started dating shortly after that and were married in Detroit in March of 2007. As we considered being in ministry together we chose to not work in separate ministries and decided to both be a part of the Chicago Campus Ministry Team.

How you can help

Campus Crusade for Christ has no central funds for staff members salaries and ministry expenses. Like many other mission organizations, Campus Crusade for Christ depends upon the consistent financial support of concerned individuals and churches. These contributions are used to fund the ministries of our staff members.

In order to continue in ministry without interruption, we must continue develop a team of partners who will give \$100 or some other monthly amount to support our ministry. For more information on how to give, or to give online visit our website: www.chicagocampusminister.com
