

## What is Cru about?

Our vision is to see the Lord turn lost students into Christ-centered laborers. We trust Him to win students to Christ, build them up in their faith, and then send them out to reach others. Our goal is that every student would have the chance to hear about Christ. We do this through one on one conversations, small group dorm programs, and campus wide outreaches. We build them up in the faith by teaching them to apply the Bible to their lives through Bible Studies and discipleship. In sending them, we teach them how to share Christ with others as a way of life and offer many

missions opportunities for students.

The campus ministry however, is only one of our

over 70 worldwide ministries. Others include The Jesus Film Project, Josh McDowell Ministries, Cru Inner City, and Athletes in Action.

## The Chicago Metro Ministry

Our goal on the Chicago Metro Team is to reach every one of the 180,000 students on 44 Chicago-land campuses. For that to happen we are trusting God for 9,000 student multipliers: students who **walk by faith** by living Spirit-filled lives, **communicate their faith** by sharing their faith with 20 students around them, and **multiply their faith** by making disciples of two or three students and helping them to do the same.

We've seen students graduate from our ministry and become leaders in the church and in their communities as well as take the gospel all over the world to places like Italy, Japan, New Zealand, Ecuador, and Germany. We believe that Chicago students can not only change Chicago and the United States, but the entire world!

The Chicago area has more than 44 campuses & 180,000 traditional aged college students

## How we got here

It was as a student at Central Michigan University that Andy was called to join the staff of Cru. As a student leader with Cru, he started to see that he could have an impact on students' lives much like his Cru staff person had impacted his life. He joined the staff of Cru upon graduating and was assigned to Chicago.

As a student involved in Cru at the University of Detroit Mercy, Amy developed a passion for God's heart for the poor. It was then that she was first involved in summer opportunities with Cru Inner City, which serves churches as they reached out to their communities. After college she joined the staff of Cru Inner City.

We were married in Detroit in March of 2007. As we considered being in ministry together, we felt the Lord leading us to combine our passions for the city and college students by serving with the Chicago Metro Team. We've been blessed to have the Lord add Avery in August of 2009 and Ainsley in September of 2011.

## How you can help

Cru has no central funds for staff members salaries and ministry expenses. Like many other mission organizations, we depend upon the consistent financial support of concerned individuals and churches. These contributions are used to fund the ministries of our staff members.

In order to continue in ministry without interruption, we must continue develop a team of partners who will give \$100 or some other monthly amount to support our ministry. For more information on how to give, or to give online visit our website:
